

Multi-Flow Map: Indian Removal p.374

Sun p.22

Jackson's Removal Policy (p. 375-378)
1. How did Jackson view Native Americans?
2. What choices did Jackson believe Native Americans had?
3. Which Native American groups made up the "five civilized tribes?"
4. Why was the removal of the Cherokee Tribe particularly unfair and sad?
Sectionalism and the Crisis over Nullification (p. 379-383)
What 3 issues caused sectional differences in the United States?
Why did Calhoun believe that South Carolina had the right to nullify the "tariff of abominations," as he called it?
What was Jackson's view of nullification?
How was the issue settled?
